

## LMACCC Mask/ Face Covering Child Permission Form

The Department of Early Education and Care encourages the wearing of masks or cloth face coverings for children aged 2 and older who can safely and appropriately wear, remove, and handle masks. Additional guidance on the use of face coverings and masks by children is as follows:

- (a) Children under the age of 2 years should not wear face coverings or masks.
- (b) Masks must not be worn while children are eating, drinking, or sleeping.
- (c) Children 2 years of age and older must be supervised when wearing a mask. If wearing the face covering causes the child to touch their face more frequently, staff must reconsider whether the mask is appropriate for the child.

Please indicate below if you give permission for your child to wear a mask in the event that your child develops a fever, cough, or any other Covid symptoms. Face coverings are implemented to reduce the transmission of Covid in the childcare setting.
